Meeting Date November 7, following late church!

Plan ahead and save your seat pay \$100 deposit now!

Due to a lot of hard work, our very own Laura Passuello is providing us with a great opportunity to serve Christ by working for a local church in Anchorage Alaska. This mission opportunity will be for anyone in Grace church that feels called to serve in this capacity. Please remember that mission work is a calling. At this time we believe it will include construction work and outreach ministry such as a vacation bible school program.

Cost for the Mission week is approximately \$500.00 Price of air fair is approximately \$585.00. To enjoy this very reasonable rate, a \$100 deposit is due now thru December 31. The balance is due Feb. 28, 2011. Checks are made payable to No Regrets Travel.

Traveling that far from home, many people wanted to do an extended trip to see the wonders of the great state of Alaska. Therefore, a second week will be offered to those that want to travel by van to Denali National Park and further travel to Fairbanks. Cost for the second week of travel to include lodging, food and transportation will be approximately \$600.00 This does not include spending money for incidentals.

Please come and join us for a meeting on November 7th, following late church to hear details and see a slide show. This meeting will be led by Laura Passuello.
